Question No. 2 Cont'd

SUMMARY: The proposed constitutional amendment, if approved, would provide for a census in the year 1975 and every tenth year thereafter of the inhabitants of each city and town as a basis for determining the representative, senatorial, and councillor districts for the ten year period beginning with the first Wednesday in the fourth January following the taking of the census, provided that the districts as established based on the 1971 census shall terminate on the first Wednesday in January, 1979. The census shall specify the number of inhabitants residing in each precinct of a town and each precinct and ward of a city.

Under the proposed amendment, the House of Representatives would consist of 160 members, in contrast to the present membership of 240, and the Senate of 40 members. The General Court would, at its first regular session after the year in which the census is taken, divide the Commonwealth into 160 representative districts and 40 senatorial districts of contiguous territory so that each representative and each senator will represent an equal number of inhabitants as nearly as may be; and such districts shall be formed, as nearly as may be, without uniting two counties or parts of two or more counties and, with respect to representative districts, without uniting, as nearly as may be, two towns or parts of two or more towns, two cities or parts of two or more cities, or a city and a town, or parts of cities and towns, into one district, and without dividing any town containing less than 2500 inhabitants. The General Court would be permitted to pass laws to limit the time within which judicial proceedings may be instituted calling in question any such division. The proposed amendment further provides that every representative, for one year at least immediately preceding his election, shall have been an inhabitant of the district for which he is chosen, and every senator shall be an inhabitant of this Commonwealth for five years at least preceding his election and at the time of his election shall be an inhabitant of the district of which he is chosen. Every representative and senator shall cease to represent his district when he shall cease to be an inhabitant of the Commonwealth. The manner of calling and conducting the elections for representatives and for senators and councillors, and of ascertaining their election, shall be prescribed by law. The amendment vests original jurisdiction in the Supreme Judicial Court, upon petition of any voter of the Commonwealth, filed with the clerk of said court, for judicial relief relative to the establishment of House of Representatives, councillor and senatorial districts.

Question No. 3	<p>PROPOSED AMENFMENT TO THE CONSTITUTION. Do you approve of the adoption of an amend- ment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 7, 1972, received 250 votes in the affirmative and 3 in the negative, and in a joint session of the two branches held June 6, 1973, received 253 votes in the affirmative and 0 in the negative?</p> <p>SUMMARY: The proposed constitutional amendment would repeal section 2 of Article 46 of the Articles of Amendments to the Constitution of the Commonwealth (the "anti-aid amendment", so-called), and replace it with a new section 2, for the purpose of allow- ing grants in aid to private higher educational institutions or to students, or par- ents or guardians of students, attending such institutions.</p> <p>The proposed amendment would delete the first clause of the present section 2, which requires that all moneys raised by taxation in the towns and cities for the support of public schools, and all moneys appropriated by the Commonwealth for the support of common schools shall be applied to or expended in only those schools conducted according to law under the order and superintendence of the authorities of the town or city in which the money is expended. The effect of the deletion of the first clause of section 2 would be to remove the constitutional prohibition against the use of public moneys, which have been raised by taxation or appropriated for support of public schools, for grants in aid to privated higher educational institutions or to students, or parents or guardians of students, attending such institutions.</p> <p>The proposed amendment would also alter the school clause of the present section 2 by removing the prohibition against a grant, appropriation or use of public money or property or loan of public credit by the Commonwealth or any political subdivision for the purpose of founding, maintaining or aiding any school or institution of learning, whether under public control or otherwise, wherein any denominational doc- trine is inculcated, or any other school or any college which is not publicly owned and under the exclusive control, order and superintendence of public officers or public agents. In place of the foregoing, the proposed amendment would prohibit the grant, appropriation or use of public money or property or loan of credit by the Commonwealth or any political subdivision for the purpose of founding, maintaining or aiding any primary or secondary school which is not publicly owned and under the exclusive control, order and superintendence of public officers or public agents.</p> <p>The proposed amendment would also add to the present section 2 a provision that nothing therein shall be construed to prohibit grants in aid to private higher educa- tional institutions or to students, or parents or guardians of students, attending such institutions.</p>

<u>Question No. 4</u>	<p><u>LAW PROPOSED BY AN INITIATIVE PETITION.</u> Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held May 17, 1972, received 131 votes in the affirmative and 121 in the negative, and in a joint session of the two branches held May 8, 1974, received 139 votes in the affirmative and 119 in the negative?</p> <p><u>SUMMARY:</u> The proposed constitutional amendment would revise Article 78 of the Articles of Amendment to the Constitution to permit the expenditure of money from the highway fund for mass transportation lines and other mass transportation purposes in such manner as the Legislature may direct. The highway fund includes receipts from fees, duties, excises and license taxes relating to registration, operation or use of motor vehicles and taxes from the sale of motor vehicle fuels. The expenditure of money from such fund is presently restricted to highway and bridge construction, reconstruction, maintenance and repair, enforcement of state traffic laws, and administration of the tax statutes which provide highway fund receipts.</p>

<u>Question No. 5</u>	<p><u>LAW PROPOSED BY AN INITIATIVE PETITION.</u> Do you approve of a law summarized below which was disapproved in the House of Representatives by a vote of 73 in the affirmative and 150 in the negative and was disapproved in the Senate by a vote of 16 in the affirmative and 22 in the negative?</p> <p><u>SUMMARY:</u> Provisions of the act establish an independent Corrupt Practices Commission, with five members to be appointed by the Governor to staggered five year terms. The Commission has subpoena powers and is to investigate, by means of secret hearings, candidates' compliance with all state and federal laws relating to political campaign contributions and expenditures and corrupt practices. If probable cause is shown, the Commission is required to direct the Attorney General to take further action in the proper form and is required to make public a report of such action. In cases involving the campaign practices of the Attorney General himself, a special attorney is to be appointed. If no probable cause is shown, the Commission is to state so publicly.</p> <p>Further, the proposed act extends the application of the → current statute regarding the disclosure of campaign expenditures and contributions, to all candidates for office above the town and city level, with the exception of President and Vice President of the United States. The act requires all such candidates to receive and disburse all amounts greater than \$25 by check, and makes it a crime to knowingly receive cash payment from a candidate or his committee for a service costing more than \$25. The act also requires candidates to designate a single bank as depository of funds</p>

<u>Question No. 5 Cont'd</u>	and as recordkeeper, with records of receipts and expenditures to be open to public scrutiny.													
	Provisions of the act extend present campaign spending limits to cover all media firms (including: television, radio, newspaper, billboard, magazine, advertising, public relations, printing, opinion polling, computer, telephone, telegraph) to report the purchase of media services by candidates. Media expenses of candidates for the offices of district attorney, clerk of court, register of probate and insolvency, register of deeds, county commissioner, county treasurer and sheriff are limited to \$.07 for each resident of the respective electoral district. Other provisions of the act require candidates, upon official announcement or filing of nomination papers, to report all political receipts and expenditures since the date of the last general election for the office sought, and count such expenditures toward spending limits. The act also limits candidates to one political committee.													
	The act establishes a maximum penalty of one year imprisonment and/or \$10,000 fine for individuals engaged in corrupt practices, and a \$50,000 fine for corporations so involved. In addition, the Attorney General is permitted to bring an action for the removal of a candidate whose election was materially aided by corrupt practices on the part of the candidate or one acting in his behalf, where such removal is otherwise authorized by law.
