Sales of certain items are exempted from the tax, including but not limited to sales of food products for human use, articles of clothing, prescription medicines, agricultural machinery and certain publications. The statute contains specific provisions relating to the registration of vendors, the filing of returns and the payment of the amounts collected by such vendors. Vendors may apply to the State Tax Commission for abatements of the amounts owed where they believe such amounts to be excessive, and decisions of the Commission on such applications may be reviewed by the Appellate Tax Board. The Commissioner of Corporations and Taxation shall have the usual powers and remedies provided for tax collection for the collection of the taxes imposed by this section. The State Tax Commission shall issue regulations necessary for proper administration and enforcement of the section.</p> <p>The Act further imposes a temporary excise upon the storage, use or other consumption in Massachusetts of tangible personal property at the rate of three per cent of the sales price of such property. Sales upon which the retail sales tax described above has been imposed, or which are exempt from the retail sales tax, shall be exempt from the use tax. Sales upon which a tax has been paid in another jurisdiction shall also be exempt. Assessment, abatement and collection of the use tax shall be governed by the provisions which relate to the tax upon retail sales. The tax upon retail sales and the excise upon storage, use or other consumption shall be effective during the period from April 1, 1966 to December 31, 1967.</p> <p>Each qualified taxpayer shall be entitled to a credit of four dollars for himself, four dollars for his spouse and eight dollars for each qualified dependent, but such credit shall not be allowed if the taxable income of such individual and his spouse exceeds five thousand dollars for the year. In addition to the taxes described above the Act provides for new excises upon certain banks; new taxes upon the income of certain corporations; new taxes upon cigarettes; a room occupancy excise upon rent paid for the use of hotel rooms and other lodging places; and excises upon sales of certain alcoholic beverages.</p> <p>The Act creates the Local Aid Fund for the purpose of providing educational assistance and authorizes the periodic Distribution of amounts from such Fund to the cities and towns. <p>Question No. 2 PROPOSED AMENDMENT TO THE CONSTITUTION. Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held August 30, 1966, received 188 votes in the affirmative and 46 in the negative, and in a joint session of the two branches held May 10, 1967, received 174 votes in the affirmative and 78 in the negative?</p> <p>SUMMARY: The proposed amendment of the Constitution authorizes the Legislature to impose an income tax graduated according to total income, and authorizes the granting of reasonable exemptions, deductions and abatements, as an alternative to the exercise of the Legislature's existing power to tax income under Article 44 of the Amendments to the Constitution. Without limiting the foregoing authorization, the proposed amendment permits any such tax to be imposed at a uniform percentage of an individual's federal income tax liability or at graduated rates applied to his total income taxable federally, and it permits reasonable variations of any federal provision. It requires that the graduated rates, exemptions, and deductions be set without regard to the kind of income being taxed.</p>

Question No. 3 PROPOSED AMENDMENT TO THE CONSTITUTION. Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held July 20, 1966, received 225 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held June 15, 1967, received 210 votes in the affirmative and 2 in the negative?

SUMMARY: The proposed amendment of the Constitution defines the circumstances in which a Governor's inability to perform his functions shall cause his office to become vacant, and it establishes a procedure for making the necessary determinations. The office will become vacant following a declaration of disability by the Governor himself or by the Chief Justice and a majority of the Associate Justices of the Supreme Judicial Court, or such other body as the Legislature may provide. The vacancy will terminate four days after the Governor declares that no disability exists, unless (1) within that period the Chief Justice and majority of the Associate Justices, or such other body provided by the Legislature, should make a contrary declaration and (2) within another stated period the Legislature, by two-thirds of each branch present and voting, then determines the issue contrary to the Governor's declaration.

Question No. 4	<p><b>LAW PROPOSED BY INITIATIVE PETITION.</b> Do you approve of a law summarized below, upon which the House of Representatives did not vote and upon which the Senate did not vote?</p> <p><b>SUMMARY:</b> The proposed law provides that the official ballot in the biennial State election for the year 1970 shall contain a question asking the voters whether there shall be a convention in 1971 to (1) revise, alter or amend the constitution of the Commonwealth on the following subjects, insofar as they relate to the structure of government, and no others: the Executive Branch; the General Court; the Executive Council; the government of cities; towns and counties and their relationship to each other and to the government of the Commonwealth; (2) simplify and rearrange the constitution, and (3) provide methods of amendment thereof. The question will state that the convention shall not consider or propose any measure which relates to the Massachusetts Declaration of Rights, the provisions of the Massachusetts constitution concerning the "Judiciary Power" (other than provisions respecting the Executive Council), or any of the excluded matters enumerated in Article XLVIII, 11, Section 2 of the Massachusetts constitution. The question will fix the number of delegates to the convention at 150, of whom 20 members shall be members of the General Court; the remaining 130 members shall be elected by the voters in the manner summarized below. The Question will also state that the convention shall conclude its business not later than 120 days from its first session.</p> <p>The proposed law provides that if a majority of the votes on the foregoing question is in the affirmative, the convention shall be held in July, 1971 to revise, alter or amend the constitution on the matters enumerated above only. The House of Representatives and the Senate shall each elect as delegates 10 of its members, not more than 6 from each branch coming from the same political party. Of the remaining 130 delegates, 10 shall be elected at large and 120 shall be elected from the 40 senatorial districts, 3 from each. Provision is made for the manner of nominating and electing these 130 delegates, without party or political designation, for filling vacancies occurring in the position of any delegate, from whatever source chosen, and for the conduct of the convention's business.</p>
