<p>Question No. 2 PROPOSED AMENDMENT TO THE CONSTITUTION. Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held August 30, 1966, received 188 votes in the affirmative and 46 in the negative, and in a joint session of the two branches held May 10, 1967, received 174 votes in the affirmative and 78 in the negative?</p> <p>SUMMARY: The proposed amendment of the Constitution authorizes the Legislature to impose an income tax graduated according to total income, and authorizes the granting of reasonable exemptions, deductions and abatements, as an alternative to the exercise of the Legislature's existing power to tax income under Article 44 of the Amendments to the Constitution. Without limiting the foregoing authorization, the proposed amendment permits any such tax to be imposed at a uniform percentage of an individual's federal income tax liability or at graduated rates applied to his total income taxable federally, and it permits reasonable variations of any federal provision. It requires that the graduated rates, exemptions, and deductions be set without regard to the kind of income being taxed.</p>

Question No. 3 PROPOSED AMENDMENT TO THE CONSTITUTION. Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held July 20, 1966, received 225 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held June 15, 1967, received 210 votes in the affirmative and 2 in the negative?

SUMMARY: The proposed amendment of the Constitution defines the circumstances in which a Governor's inability to perform his functions shall cause his office to become vacant, and it establishes a procedure for making the necessary determinations. The office will become vacant following a declaration of disability by the Governor himself or by the Chief Justice and a majority of the Associate Justices of the Supreme Judicial Court, or such other body as the Legislature may provide. The vacancy will terminate four days after the Governor declares that no disability exists, unless (1) within that period the Chief Justice and majority of the Associate Justices, or such other body provided by the Legislature, should make a contrary declaration and (2) within another stated period the Legislature, by two-thirds of each branch present and voting, then determines the issue contrary to the Governor's declaration.

Question No. 4	<p>LAW PROPOSED BY INITIATIVE PETITION. Do you approve of a law summarized below, upon which the House of Representatives did not vote and upon which the Senate did not vote?</p> <p>SUMMARY: The proposed law provides that the official ballot in the biennial State election for the year 1970 shall contain a question asking the voters whether there shall be a convention in 1971 to (1) revise, alter or amend the constitution of the Commonwealth on the following subjects, insofar as they relate to the structure of government, and no others: the Executive Branch; the General Court; the Executive Council; the government of cities; towns and counties and their relationship to each other and to the government of the Commonwealth; (2) simplify and rearrange the constitution, and (3) provide methods of amendment thereof. The question will state that the convention shall not consider or propose any measure which relates to the Massachusetts Declaration of Rights, the provisions of the Massachusetts constitution concerning the "Judiciary Power" (other than provisions respecting the Executive Council), or any of the excluded matters enumerated in Article XLVIII, 11, Section 2 of the Massachusetts constitution. The question will fix the number of delegates to the convention at 150, of whom 20 members shall be members of the General Court; the remaining 130 members shall be elected by the voters in the manner summarized below. The Question will also state that the convention shall conclude its business not later than 120 days from its first session.</p> <p>The proposed law provides that if a majority of the votes on the foregoing question is in the affirmative, the convention shall be held in July, 1971 to revise, alter or amend the constitution on the matters enumerated above only. The House of Representatives and the Senate shall each elect as delegates 10 of its members, not more than 6 from each branch coming from the same political party. Of the remaining 130 delegates, 10 shall be elected at large and 120 shall be elected from the 40 senatorial districts, 3 from each. Provision is made for the manner of nominating and electing these 130 delegates, without party or political designation, for filling vacancies occurring in the position of any delegate, from whatever source chosen, and for the conduct of the convention's business.</p>

Question No. 4	<p>PROPOSED AMENDMENT TO THE CONSTITUTION. Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held July 15, 1968, received 181 votes in the affirmative and 66 in the negative, and in a joint session of the two branches held May 15, 1969, received 208 votes in the affirmative and 54 in the negative? SUMMARY: The proposed amendment to the Constitution amends the existing constitutional provisions which direct the division of the Commonwealth into 240 representative districts and 40 senatorial districts. It provides for a census of the inhabitants of each city and town in the Commonwealth in the year 1971 and in every tenth year thereafter. The census in 1971 is to be the basis for determining the representative and senatorial districts for the ten-year period beginning January 1, 1975. Each subsequent census shall be the basis for determining the districts for each ten-year period beginning the fourth January following each census, so that the census in 1981 will determine the dis- tricts as of January, 1985, etc. The amendment provides that the house of representatives shall consist of two hundred and forty members and the senate of forty members. In its first regular session follow- ing each census, the Legislature shall divide the Commonwealth into two hundred and forty representative districts of contiguous territory and forty senatorial districts also of contiguous territory. Each representative district shall contain, as nearly as may be, an equal number of inhabitants according to the census. Each senatorial dis- trict shall also contain as nearly as may be an equal number of inhabitants according to the census. A representative district shall not unite two or more counties, towns, or cities, or parts thereof, or a city and a town, or parts thereof, in one district unless the same is unavoidable. Further, no town of less than six thousand inhabitants shall be divided in forming representative districts. It is also provided that the County of Dukes County and Nantucket County shall each be a representative district, not withstanding the foregoing.</p>
